

#1

EXPANDING EMERGENCY HOUSING SHELTERS

To meet growing needs, we will increase our emergency housing capacity by **32%**, from **225** ▶ **297** beds.

These beds will be built within a new facility in Lee County and will provide a safe place for **40 WOMEN** and **32 CHILDREN** daily.

#2

INCREASING CAPACITY IN OUR RECOVERY PROGRAM

Our wait lists are full at all times, leaving many who have committed to recovery struggling to endure the wait until enrollment slots become available.

We will increase capacity in our recovery program from **184** ▶ **223** daily participants.

#3

CONSTRUCTING MORE AFFORDABLE HOUSING UNITS

Providing affordable transitional housing for up to two years supports our program graduates and those emerging from homelessness.

The expanded capacity built from **PRIORITY #2** will increase the need for this housing even further.

With this gift, we will increase our housing capacity by **87%**
